

# Something More

Steighner

$\text{♩} = 63$        $\text{♩} = 52$        $\text{♩} = 63$

10 *f*

When she was a lit - tle girl she stood u - pon the shore and gazed out to the o - cean wide and  
When she was an old - er girl she stood out - side her door and looked past the hor - i - zon and i -

13

dreamed of some - thing more she dreamed of some - thing more she dreamed of some - thing more she  
mag - ined some - thing more she dreamed of some - thing more she dreamed of some - thing more she

17

gazed out to the o - cean wide and dreamed of some - thing more What is there be -  
looked pas the hor - i - zon and i - mag - ined some - thing more Now that I am

22

yond the sea Oh what is there wait - ing for me Oh  
mar - ried My long - ing I'll ig - nore No

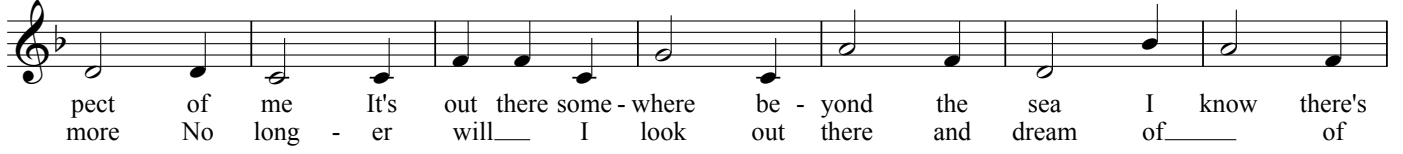

28

when will I grow up and be some - where that's far a - way?  
long - er will I look be - yond and dream of some - thing more

35

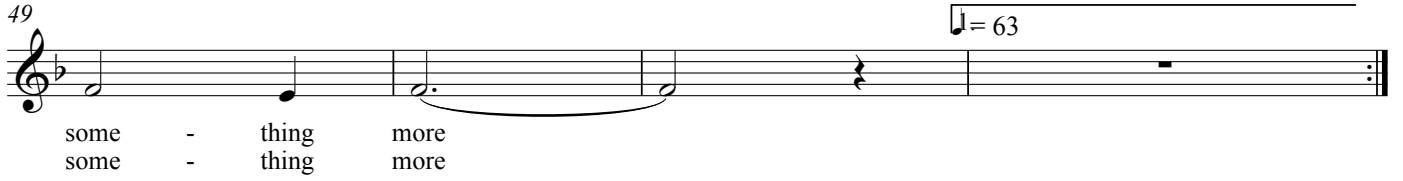

For I know that I can be So much more than they ex -  
And dream of some - thing more and dream of some - thing

42

pect of me It's out there some - where be - yond the sea I know there's  
more No long - er will I look out there and dream of of

49

some - thing more  
some - thing more
